KING HENRY VIII
COLLEGE
MALAYSIA

About Us

King Henry VIII College (KH8) is a leading British international school located in Cyberjaya, Malaysia, dedicated to providing top-quality education and comprehensive support to students from across the globe. With a rich academic heritage of almost 500 years inherited from Christ College Brecon in the UK, our school is committed to maintaining an exceptional standard of excellence.

We offer a wide range of programs that cater to diverse academic interests and aspirations for children between the ages of 3 and 18, ensuring that each student receives a well-rounded education that prepares them for a successful future.

Introduction

We are delighted to announce our Summer School Programme 2024 at King Henry VIII College!

Our international summer school gives girls and boys aged 10 to 15 the opportunity to experience life in a foreign country where they can learn or improve their English and also take part in a wide range of sporting and cultural activities.

Our aim is to ensure that your children have a stimulating and fulfilling experience, where they can fully immerse themselves in Malaysia's rich multicultural environment, practice English everyday and enjoy a wonderful experience at King Henry VIII College.

Programme Highlights

1

70 Hours

Up to 70 quality hours for English speaking, writing, listening and reading.

2

Projects

Learning English through completing exciting, cross curricular projects.

3

Fun Activities

Learning through a series of carefully designed fun activities! The key idea is for you to enjoy learning.

4

Culture

Excursion to place of cultural interest in and around Kuala Lumpur.

Summer School 2024

What are Co-Curricular Activities?

Despite a busy and action packed day your child will also have the opportunity to experience a wide range of activities through our CCA programme. Examples include the Art Club, where creativity is nurtured; Chess Club, which sharpens strategic thinking and problem-solving skills; and various sports activities such as Football, Swimming, and Badminton, which promote physical fitness and teamwork. All activities will be led by our staff.

Evening Activities

We have planned a thrilling and varied evening program of evening activities. We offer indoor swimming, friendly football matches, captivating basketball games, and fast-paced badminton matches. Students will be able to enjoy a traditional night market, where they can immerse themselves in the rich and diverse cultures of Malaysia. Students will have the chance to explore local cuisines, crafts, and experience Malaysia's vibrant heritage.

Amidst all the excitement, we understand the importance of self-reflection, and so we have set aside dedicated time for the children to relax and unwind.

Get ready for an unforgettable summer school experience filled with fun, learning, and new friendships! Please note that certain activities may be weather-dependent, and the final schedule will be confirmed closer to the summer school start date.

Boarding

Children will be accommodated in one of our dedicated boarding houses, with separate buildings assigned for boys and girls. While most rooms will be shared, we understand individual preferences and will make every effort to accommodate them. It's important to note that our camp's schedule is packed with exciting activities, fostering a sense of camaraderie among the children. As such, the time spent in their rooms will be limited, and the majority of their day will be filled with fun group experiences. We want to ensure the utmost comfort for our younger participants, so they will be allocated to dormitory-style rooms. Older students may have the privilege of staying in rooms with ensuite bathrooms, providing them with added privacy. Rest assured, all the accommodation will be comfortable and designed to create a memorable and enjoyable experience for each child.

Furthermore, the boarding houses are overseen by dedicated and experienced boarding staff, providing a safe and nurturing environment. Additionally, pastoral care will be readily available to attend to the well-being of the children during their stay with us.

Catering

All meals will be provided. This will include breakfast, lunch and evening meal in the school Dining Hall and packed lunches for activity days. Please ensure you complete the Parental Consent & Health Declaration Form if your child has any dietary requirements.

Meals

Your children will enjoy buffet-style dining with a delightful variety of 8 different dishes served each day. Our in-house kitchen team takes pride in offering a diverse selection of asian and western food choices. Each meal is thoughtfully prepared with a focus on health and freshness, using only the finest and freshest ingredients.

Our aim is to provide your children with balanced and nourishing options that will satisfy their taste buds and contribute to their overall well-being during their stay at the camp.

Day Out - Petrosains KLCC

Cultural Activities - Malaysian Cooking
