

EARLY YEARS FOUNDATION STAGE

EARLY YEARS FOUNDATION STAGE

Nursery	3 - 4 years of age
Reception	4 - 5 years of age

Early Years Foundation Stage (EYFS) includes our youngest students from Nursery and Reception (ages 3 - 5). Our purpose-built space for EYFS provides a safe and caring environment that caters to the learning needs of children within this age range. Trained EYFS teachers guide students through age appropriate activities that extend their learning in these developmental years. The curriculum in this area of the school closely follows the UK Early Years Foundation Stage framework that focuses on seven areas of learning:

- Communication and Language
- Physical Development
- Personal, Social and Emotional Development
- English
- Mathematics
- Understanding The World
- Expressive Arts and Design

PRIMARY (YEARS 1 - 2)

PRIMARY SCHOOL KEY STAGE 1

Year 1 5 - 6 years of age

Year 2 6 - 7 years of age

Key Stage 1 includes our youngest students from Year 1 and 2 (age 5 – 7 years). These years help lay the crucial foundation for educational experiences and King Henry VIII College Primary provides a fun and meaningful environment where students can explore different topics and interests. Led by specialist Key Stage 1 teachers, classrooms cater to the needs of students within this age range to aid their development, and achievements, while encouraging their passion for learning. Inquiry based units will integrate different areas of the curriculum, with focus on areas of learning that provide a solid basis for education in upper years, such as:

- Phonics within English
- Mathematics
- Science
- History
- Geography
- Music
- Art
- Physical Education
- Mandarin

PRIMARY (YEARS 3 - 6)

PRIMARY SCHOOL KEY STAGE 2

Year 3 7 - 8 years of age

Year 4 8 - 9 years of age

Year 5 9 - 10 years of age

Year 6 10 - 11 years of age

Students in Key Stage 2 from Year 3 – 6 (age 7 – 11 years) build upon the foundations laid out in their previous schooling with the aim of developing independence and taking ownership of their learning. Timely individualised assessments by specialised Key Stage 2 teachers ensures that progress is on track and students are achieving at their full potential. Expanding on skills taught in Key Stage 1, topics of study fuel student's interest in the world around them. Weekly lessons in specialist and core subjects include:

- English
- Mathematics
- Science
- History
- Geography
- Music
- Art
- Physical Education
- Mandarin
